

H₂O International offers custom product design and manufacturing services.

Product customizing has been a core service of H₂O since 1999. Teaming our expert engineering resources with our in-house and overseas manufacturing, allows H₂O to provide you with turn-key solutions to your water filtration product customization

Rest assured, from idea to factory floor, your company's information is 100% confidential and will NEVER be shared with a third party for any reason.

Confidential

To discuss your Custom, OEM or Private-Labeling needs, contact us at:

In the US (800) 570-3464

Overseas 954-570-3464

or email us at info@h2ofilter.com

Our clients get 100% custom manufactured products designed and built exclusively for their company. This gives our clients a distinct competitive advantage because it allows them to design, test, and manufacture 100% custom products that they can brand and sell exclusively.
